

2025 EUROPEAN PLOUGHING CHAMPIONSHIPS

We are delighted to host the **European Reversible Ploughing Championships** and the **European Vintage Ploughing Championships** in England in the Spring of 2025.

It will be run as one event and will be held on Saturday 1st and Sunday 2nd March 2025 at Upper Morton, near Retford, Nottinghamshire by kind permission of Joseph Camm Farms Limited. The soil is sandy and both days will be stubble.

The package overleaf is for a 4-night stay – Thursday 27th February until departure on Monday 3rd March 2025. The package will include all meals, including a 'Welcome Dinner' on the Thursday evening and a Presentation Dinner on the Sunday evening when all trophies will be presented.

Visitors are welcome to book, but there are no tours.

There will be two hotels used and we are planning to house the European Reversible teams in one and the European Vintage teams in another, so that they are all in the same hotel for plot draws, etc. There is a 5 minute drive between the hotels, so some will have to make a journey to the Welcome/Presentation Dinners.

The hotels are approximately a 10 minute drive from the site.

No transport will be provided.
